

7

The T-Top Extender

\$499; 800/584-1363, www.t-topextender.com

7 Get more shade protection for your crew. The adjustable T-Top Extender can integrate onto your existing boat top. The extender adds up to 7' of shade toward the bow, and while you're underway, it offers 5' of shade at the stern. Made of durable heavy-duty stretch polyester with marine-grade aluminum mounts, it has no vertical supports or straps to interfere with fishing or other activities.

8

ProTechT Water-Resistant Marine Housing Kit

\$180; 866/SHOPXM1, www.xmradio.com/marinekit

8 Enjoy the same XM radio used in your home or car on your boat—all with one subscription. Bring more than 170 entertainment channels onboard without fear; water-resistant housing safeguards the XM receiver from damaging water, sea salt, fog, UV rays, and dust and allows for operation of a plug-and-play XM radio or portable XM2go with the included waterproof, floating remote control. Mounting bracket included.

9

The Tallon Stainless Drink Holder

\$180; 866/616-4063, www.tallonmarine.com

9 Combining function and style, this marine-grade 316 stainless-steel double drinkholder prevents bottles and cans from rolling around the deck and contains spills. The unit handles beer and wine bottles, cans, and glasses up to 3" in diameter and has a hook to stow bottle openers, keys, or other small items. To help keep your drinks cold, two insulating foam wrappers are provided. —STEPHANIE NORRIS

The feeling of freedom, exquisitely handcrafted. Every element of the Cruisers Yachts' experience has been thoroughly designed to free you from the complexities of the real world. From our enduring reliability to our spirited performance to our optional Volvo Penta IPS Joystick maneuvering system—nothing stands in the way of you and a profound sense of individual freedom. To feel it yourself visit your dealer, or request a catalog at www.cruisersyachts.com.
